

Peace Music Ministry

Ric Jaeggi,
Director of Music

The Music Ministry at Peace wishes to thank you for taking a moment to read this brochure describing the many musical offerings of Peace Lutheran Church.

We trust you have found several concerts to your liking and marked them on your calendar. There is always a light reception following performances. It is our hope that you will stay, enjoy the refreshments and greet the performers.

“Music at Peace” concerts accept free-will donations unless noted otherwise. The gifts collected go to support the annual music budget of the Church. Purchasing music, tuning pianos and artists’ honorariums are just a few examples of the many costs of producing “Music at Peace.” All gifts are tax deductible.

Most importantly, we thank you for the contribution of your attendance. Your presence helps as we share the joy that is music from the past, the present and look to the future for music yet to be composed.

This year we return to our beautiful windows because we gather to observe and enjoy our latest window. The Good Samaritan Window, in the Good Samaritan Hall will be our starting point in the witnessing of the many beautiful windows located throughout Peace Lutheran Church. We will move along in our tour and visit the stories told through anthem, hymn and the teaching of Pastor Walter Still. Stick around for a wine and cheese reception. A free will offering will be received.

**Combined Choirs of Peace Lutheran
and St. Columbkille
March 18, 2018 at 2:00pm**

The Choirs will present the large choral work by Charles Gounod, Messes Solennelle. This is better known as the St. Cecilia Mass. Our soloists will be Carolann M. Sanita, Soprano, Mark Sanders, Tenor; and Gerritt VanderMeer, Baritone. Lee Van Asten will be on the podium, and Ric Jaeggi and Janet Carter will be at the keyboards. This major choral work, the most ambitious presentation by our august little group, will touch you with its' familiar words, and lovely romantic sounds. There is nothing 21st century in this beautiful work with the exception of the people and technology used in the digital organ. A free will offering to offset expenses will be gratefully received and of course, we shall gather for refreshments and opportunities to chat with choir members and each other.
